Confirmation Retreat Make Up

One of the requirements for the confirmation students this year was to attend the NET Retreats at the end of January. Realizing that not all students were able to make this event, we are offering some options to make up this requirement. Any students who did not attend the Confirmation Retreat **MUST** do one of the make-up options.

OPTIONS: You may choose to do one of the following.

Option 1: Arrange to attend a confirmation retreat, or other youth ministry retreat, at another parish.

Option 2: Be part of the parish Living Stations of the Cross. This includes three to four rehearsals and the actual Living Stations on Wednesday, March 31st.

Option 3: Read and do a book report on a book provided to you from the Faith Formation Office. See Craig or Kristi for a book and instructions for the book report.

You may present another option to Craig King to consider for approval. It must be approved **PRIOR** to being used as a make-up.
